

CONSULTANT PROFILE

TERESA GILLOTTI

Teresa is a creative problem-solver and consensus builder with experience spanning governmental, private, and non-profit sectors. Committed to working with local communities on system-level change to combat racial disparity through community and economic development initiatives focused on the interconnection of land use, housing, transportation, education, and childcare. Methods include removing barriers to opportunity through development of public data tools, sustained community engagement, and shifting decision-making authority to community.
